[Docket No. RM95-9-003]

**Open Access Same-Time Information
System and Standards of Conduct;
Notice of Filing of Emergency Motion
for Clarification**

February 26, 1999.

Take notice that on February 25, 1999, Enron Power Marketing, Inc. (EPMI) and Coral Poser, L.L.C. (collectively Movants) jointly filed an emergency motion for clarification of the Commission's notice of proposed rulemaking issued in this proceeding on February 3, 1999.¹ Movants state that, on February 23, 1999, Mid-Continent Area Power Pool (MAPP) notified EPMI and others that, starting on March 1, 1999, MAPP intends to change the confirmation time limits in Schedule F of its Individual Open Access Tariff,² to match the guides on confirmation time limits contained in Table 4-2 of the "Industry Report to the Federal Energy Regulatory Commission on OASIS Phase IA Business Practices" jointly submitted to the Commission by the Commercial Practices Working Group and the OASIS How Working Group.

Movants argue that the Commission should clarify that MAPP and other transmission providers may not implement any of the proposals in the NOPR until they demonstrate that those proposals are consistent with or superior to the pro forma tariff or until the Commission issues a final rule after review of the comments to the NOPR (due on or before April 5, 1999).

Any person desiring to be heard or to protest said filing should file an answer with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Rule 213 of the Commission's Rules of Practice and Procedure (18 CFR 385.213). All such answers should be filed on or before March 12, 1999. Copies of this filing are on file with the Commission and are available for public inspection.

David P. Boergers,
Secretary.

[Project No. 2042-010]

**Public Utility District No. 1 of Pend
Oreille County; Notice of Availability of
Environmental Assessment**

February 26, 1999.

In accordance with the National Environmental Policy Act of 1969 and the Federal Energy Regulatory Commission's regulations, 18 CFR Part 380 (Order No. 486, 52 FR 47910), the Office of Hydropower Licensing (OHL) reviewed the proposal to add project lands in the upstream portion of the project reservoir that were not included within the original project boundary for the Box Canyon Hydroelectric Project in Pend Oreille County, Washington. In addition OHL reviewed an Offer of Settlement made by the parties to this proceeding. The Commission prepared an environmental assessment (EA) for the proposed action and offer of settlement. In the EA, the Commission concludes that approval of the proposed boundary change and offer of settlement will not constitute a major federal action significantly affecting the quality of the human environment.

A copy of the EA is available for inspection and reproduction at the Commission's Public Reference Room, located at 888 First Street, NE, Room 2A, Washington, DC 20426, or by calling (202) 208-1371. The EA may be viewed on the web at www.ferc.fed.us/online/rims.htm (call 202-208-2222 for assistance).

Any questions on this notice should be addressed to James Hastreiter, E-mail address james.hastreiter@ferc.fed.us, or telephone 503-326-5858, ext. 225.

**ENVIRONMENTAL PROTECTION
AGENCY**

[FRL-6306-3]

**San Fernando Valley—Burbank
Operable Unit Superfund Site;
Proposed Notice of Administrative
Settlement**

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice; Request for public comment.

SUMMARY: In accordance with the Comprehensive Environmental

Response, Compensation and Liability Act of 1980, as amended by the Superfund Amendments and Reauthorization Act of 1986 ("CERCLA"), 42 U.S.C. 9601 *et seq.*, notice is hereby given that a proposed Prospective Purchaser Agreement associated with the San Fernando Valley North Hollywood Superfund Site—Burbank Operable Unit was executed by the United States Environmental Protection Agency ("EPA") on December 30, 1998. The proposed Prospective Purchaser Agreement would resolve certain potential claims of the United States under sections 106 and 107 of CERCLA, 42 U.S.C. 9606 and 9607, against Cinnabar, Inc., Cinnabar California, Cinnabar Florida, and Kamork Partners (collectively the "Purchaser"). The Purchaser plans to acquire a three-acre parcel located within the Burbank Operable Unit in Burbank, California, which the Purchaser currently leases. The Purchaser intends to continue the current use of the property as the location of its business for the manufacture of scenery, props and movie miniatures. The proposed settlement would require the Purchaser to pay EPA \$ 50,000. EPA agreed to this amount based on the Purchaser's demonstration to EPA that the Purchaser has a limited ability-to-pay.

For thirty (30) calendar days following the date of publication of this notice, EPA will receive written comments relating to the proposed settlement. If requested prior to the expiration of this public comment period, EPA will provide an opportunity for a public meeting in the affected area. EPA's response to any comments received will be available for public inspection at the U.S. Environmental Protection Agency, 75 Hawthorne Street, San Francisco, CA 94105.

DATES: Comments must be submitted on or before April 5, 1999.

ADDRESSES: *Availability:* The proposed Prospective Purchaser Agreement and additional background documentation relating to the settlement are available for public inspection at the U.S. Environmental Protection Agency, 75 Hawthorne Street, San Francisco, CA 94105. A copy of the proposed settlement may be obtained from Marie M. Rongone, Assistant Regional Counsel (ORC-3), Office of Regional Counsel, U.S. EPA Region IX, 75 Hawthorne Street, San Francisco, CA 94105. Comments should reference "Cinnabar Prospective Purchaser Agreement, San Fernando Valley Superfund Site, Burbank Operable Unit," and "Docket
